shipping
for orders placed before noon

Why customers choose Atlas

Atlas builds compact training equipment for people who want a full workout without giving up floor space. Every product folds flat, ships **fully assembled**, and is covered by a two-year warranty. Our customer support team answers within *one business day*, and replacement parts are always in stock.

What is included

Each package contains the equipment, a printed quick-start guide, and access to our online workout library.

- Adjustable resistance bands in three strengths
- Foldable frame with non-slip feet
- Free access to 40+ guided sessions
- Lifetime customer support

Set up in three steps

1. **Unfold the frame** — Lift it and lock it in place.
2. **Scan the QR code** — Open your guided sessions.
3. **Start training** — Pick a session and go.
